

TURKEY BREAKS WITH THE ALLIES

DIPLOMATIC REPRESENTATIVES HAVE ALL DEMANDED PASSPORTS.

FIGHTING HAS BEGUN

GREECE AND BELGIUM ARE NOT LIKELY ENTRANTS IN THE WAR.

GERMAN NAVY IS ACTIVE

Fighting on Land Has Not Been Materially Changed by Recent Fighting.

RUSSIA is the only one of the belligerent countries to claim in late reports anything akin to a decisive victory for her arms. In east Prussia the German left wing is said to be retreating precipitately toward Biala and Lyck and in Poland the Austrians are reported as fleeing toward the frontier. Near Kielece the Russians declare they captured fifteen thousand men.

To the contrary, however, the Austrians say they have been able to hold the Russians at Lysa-Gora, in south Poland, while their troops made a wheeling movement to another line of defense.

GERMANS FELL BACK.

Along the battle front in Belgium and France probably the most ambitious feats at arms are occurring in the forested regions around Ypres, upon which the Germans fell back from the north on account of their failure through several contingencies to pierce the allied lines and work their way down the coast to Calais. Reinforcements are being brought up here by the Germans and an attempt is expected to take place in a renewed attempt to proceed to Calais. Both sides make claim to only slight advantages at various parts along this line.

A Belgian official report says that allied troops reconnoitering as far as Lombardie on the Yser front near Schoorhaake, found no Germans but that "an almost unbroken column of the enemy of all arms extending from Leke to Thorout has marched in an easterly direction."

PUSHING THE TURKS.

The allies are hard after the Turks. Russian troops have crossed the frontier of Turkey and taken eight towns. In addition the Anglo-French fleet still is bombarding the forts of the Dardanelles and a British cruiser has thrown shells into a Turkish Red Sea port in Arabia.

That Turkey has accepted as final the refusal of the allies to accept her apology for the bombardment of Russian ports and ships is indicated by her receding her diplomatic relations with the triple entente powers. Several Turkish cabinet ministers have resigned because of a lack of sympathy with the war party in the government.

Berlin reports that the Prussian ministers in Petrograd had demanded that Russian troops be ordered from the triple entente powers. Several Turkish cabinet ministers have resigned because of a lack of sympathy with the war party in the government.

THE BRITISH ADMIRALTY HAS LEARNED UNOFFICIALLY OF THE NAVAL FIGHT BETWEEN GERMAN AND BRITISH CRUISERS OFF CHILE, BUT DECLINES AT PRESENT TO ACCEPT THE GERMAN VERSION OF IT.

A big German trawler was sunk by a mine in Danish waters.

LONDON, Nov. 4.—(9:20 p. m.)—

Turkey has definitely broken off diplomatic relations with Great Britain, France, Russia and Serbia. Her diplomatic representatives in the capitals of these countries, acting on orders from the Porte, today demanded and received their passports. Some of them already have left their posts, while the others will depart tomorrow.

It is understood that Turkey's apology for the actions of her fleet in bombarding Russian Black sea ports and Russian ships proved unacceptable to the powers of the triple entente. In that Turkey was not prepared to accede to the demand that the German officers in her service be dismissed and the ships purchased from Germany dismantled.

Begin the Fighting.

The powers which the Ottoman government thus defied are already taking warlike action against Turkey. The British have destroyed Fort Akaba, in Arabia; the Russians have invaded Asia Minor, and an Anglo-French fleet is bombarding the forts of the Dardanelles.

Speculation is rife as to what the other Balkan powers will do. Greece is said to be preparing to take sides with the allies, while Belgium has given assurance of neutrality. Bulgaria, however, is mobilizing for, as a Bulgarian diplomat said, "with Turkey as the area of the war, Bulgaria must be prepared for any eventualities."

German Naval Raid.

Next to the Turkish situation, the appearance of the German warships off the coast of England is causing most of the discussion in this country today. There is a disposition among naval men to believe that no serious raid was intended, but that the Germans hoped to induce British warships to follow them, and by using mines as they retired, to catch some of the bigger ships, as they did the submarine D-5. The fact that the

NAME TURKISH LEADERS

Turkey Making Cruisers Out of Merchant Vessels.

BERLIN, via The Hague and London, Nov. 4.—(9:50 a. m.)—The Zettung publishes a dispatch from Vienna saying that Turgut Pasha has been appointed commander-in-chief of the Dardanelles and the Bosphorus and that Izzet Pasha and Shukry Pasha have taken command of the Turkish armies. Numerous Turkish vessels and recently-purchased merchantmen have been changed into auxiliary cruisers, the Vienna dispatch says.

Izzet Pasha has filled the posts of minister of war, commander-in-chief of the Turkish forces and chief of the general staff of the war office. Dispatches from Turkey the early part of this year spoke of a plot to place him on the throne of Albania.

Shukry Pasha was at one time military commander of Adrianople and later minister of public instruction. He took a prominent part in the last war against Bulgaria.

PROHIBITION QUESTION WAS AN EVEN BREAK

THREE STATES VOTED "WET" AND THREE WENT "DRY."

Vote Is Close in Some and May Be Reversed by Later Returns.

CHICAGO, Nov. 4.—Three of the six states that voted Tuesday on the liquor question decided to retain saloons, while the other three, on latest returns tonight, embraced prohibition.

Ohio, California and Washington voted in favor of retaining saloons. While the result is in doubt in Colorado, Oregon and Arizona, incomplete and unofficial returns for these three states show slight leads in favor of ousting saloons.

The latest returns from Washington cover only about half of the state and indicate a small majority in favor of saloons. Anti-saloons league workers assert that later returns from rural regions will make the state dry.

Unofficial returns from Arizona show that saloons were voted out, the women aiding materially in reaching this result.

Colorado Is Close.

The vote on saloons in Colorado is so close that the result is in doubt, but the precincts to be heard from are mostly outside the cities. Prohibitionists say later returns from farming counties will doom saloons.

Ohio retained saloons by a good majority and adopted a home rule amendment that was recognized as a saloon measure.

Missouri defeated the county unit system of local option, which precluded the rural vote on saloons in opposition to the cities.

National headquarters of the Woman's Christian Temperance Union in Chicago today received returns from workers in the states affected by this election. News that was declared to be encouraging came from all the states concerned, the defeats in the three states being offset, the reports said, by indications of progress over previous conditions.

One of the typical messages received was the following from Colorado:

"Hallelujah, the crest of the continent is white, Colorado gone dry."

CHICAGO, Nov. 4.—Four of the six states that voted Tuesday on the expiration of saloons decided, according to latest returns tonight, to forbid the sale of alcoholic beverages in future and two voted to retain saloons. Ohio and California kept their saloons while Washington, Colorado, Oregon and Arizona closed theirs.

RESULT IN CALIFORNIA

Demos Gained a Senator and B. M. a Representative.

SAN FRANCISCO, Nov. 4.—Democrats gained a United States senator and Progressive a representative in Tuesday's balloting in California. James Phelan, Democrat, will succeed in the senate George W. Perkins, a Republican, who did not seek reelection.

Latest returns indicate the defeat of the anti-price fight and red light abatement measures.

Switzerland Wants Armistice.

AMSTERDAM, via London, Nov. 4.—(9:35 p. m.)—A dispatch from Berlin to the Handelsblad says:

"According to the Vowarers a counsel for the members of the Social Democratic party in the Swiss parliament has asked the president of Switzerland to take the initiative in making diplomatic representations jointly with the governments of other neutral states to secure an armistice."

Louisiana Has a Revolt.

NEW ORLEANS, Nov. 4.—Complete returns give W. P. Martin, Progressive, 1,518 majority over Henri L. Gueymard, Democrat, in the Third Louisiana congressional district.

Incomplete returns indicate that a constitutional amendment providing for the recall of all elective officers except judges was ratified.

Republican in North Carolina.

ASHEVILLE, N. C., Nov. 4.—Tonight's returns indicate that James J. Britt, Republican, has been elected in the Tenth North Carolina congressional district over James M. Guder, Jr., Democratic incumbent.

Former Senator Is Dead.

ELIZABETH, N. J., Nov. 4.—John Kean, former United States senator from New Jersey, died here tonight after a long illness.

TWO STATES GIVE VOTES TO WOMEN

MONTANA AND NEVADA GO INTO RANKS OF EQUAL SUFFRAGE.

NEBRASKA VERY CLOSE

Missouri, Ohio, Utah and South Dakota Turned Down the Women.

CHICAGO, Nov. 4.—Women suffrage leaders rejoiced tonight when belated returns indicated that votes for women apparently had been granted in two of the seven states voting on the question in Tuesday's election, with a third state in doubt. First returns had indicated the defeat of the granting of the franchise to women in all seven states concerned.

Montana and Nevada, according to the latest returns, granted votes to women, while Nebraska showed such a small vote against the proposal that the women claimed the state. Missouri, Ohio and North and South Dakota refused to grant equal suffrage.

In Montana the official count will be necessary to decide the outcome, but the women have a slight lead on unofficial and incomplete returns.

In Nevada, which seems won to the cause of equal suffrage, one hundred and five precincts out of 240 gave 3,613 votes for women's votes, and 2,568 against.

The effect of women's votes on prohibition in Tuesday's election indicated that the women do not unanimously oppose saloons.

Failed to Go Dry.

Women failed in two Pacific coast states to turn out saloons. California and Washington voted for the first time on the question of prohibition, and in both the voting women were comparatively a novelty. The vote in favor of retaining saloons was large in both states.

The California proposed amendment was very drastic and would have prohibited the manufacture of wine, one of the chief industries of the state.

The severance of the proposed law is given by leaders of the Anti-Saloon league as possible reason for the defeat of the measure.

The women in California probably aided in passing a law to close all resorts with women inmates. Early returns indicated that segregated vice quarters in California would be voted out.

An incident of female suffrage in Illinois was the fact that the proportion of the female to male voters in the Democratic, Republican and Progressive parties was about the same. The woman political leaders were mostly identified with the Progressive party, which had championed the cause of the women in their platform.

Figures in many precincts showed, however, that the percentage of women to men was larger in the Democratic party than in the Progressive. Leaders of the anti-suffrage league, opposed to votes for women, declared this showed that women voted largely as their husbands voted.

GERMAN CRUISER SUNK

Struck Mine and Lost Half of Her Crew.

LONDON, Nov. 5.—(4:10 a. m.)—The information regarding the loss of the German cruiser Yorck reached London in an Amsterdam dispatch to the Reuters Telegram company. It stated that an official dispatch from Berlin said that the Yorck, a mine cruiser, struck a mine in the North Sea yesterday.

The admiral adds that at the time of the seizure of the Ophelia "she was behaving in a manner inconsistent with the duties of a hospital ship, and the vessel will be brought before a prize court."

WAR BULLETINS.

PARIS, Nov. 4.—(11 p. m.)—The war office this evening made public the following official announcement: "There is no important modification in the situation in the north. In the north we have made slight progress toward Messines. To the east artillery duels at several points of the front have taken place without any great results, notably at the west of Lens, between the Somme and the north in the Argonne, and in the forest of Apremont."

COPENHAGEN, via London, Nov. 4.—(9:47 p. m.)—A large German trawler has been destroyed by a mine south of the Danish island of Lange, in the great belt. The fate of her crew is not known.

CONSTANTINOPLE, via Berlin and London, Nov. 4.—(6:45 p. m.)—The Porte has recalled the Turkish ambassadors in France, and Great Britain, the charge d'affaires at Petrograd and the minister to Serbia.

TOKYO, Nov. 4.—(3:30 p. m.)—In a statement issued by the navy department today it believed that the Germans at Long Tan have sunk the Austrian cruiser Kaiserin Elizabeth, which took refuge in that harbor soon after war was declared on Germany by Japan. It is also thought that the Germans have destroyed the floating docks.

LONDON, Nov. 4.—(11:30 a. m.)—Renewed threats of conscription unless able-bodied Belgians rally to the flag, are contained in an official proclamation the Belgian government has issued in London. This proclamation says: "Belgians between the ages of eighteen and thirty who do not respond by November 15, may be requisitioned for military service in accordance with the law."

LONDON, Nov. 4.—(12:50 a. m.)—A Reuter dispatch from Amsterdam says: "A Berlin telegram states that railway communication between Serbia and Bulgaria has been broken."

LONDON, Nov. 5.—(4:09 a. m.)—The German cruiser Yorck has struck a mine in Jade bay and sunk.

LONDON, Nov. 4.—(10:05 p. m.)—The admiralty announces that one officer and 20 men were lost in the sinking of the British submarine D-5 by a German mine in the North sea yesterday.

LONDON, Nov. 5.—(1:20 a. m.)—The admiralty has issued a statement in which it says it has received from German sources details of a naval engagement off the Chilean coast in which the British cruiser Monmouth was sunk and the cruiser Goodhope severely damaged. The statement says the admiralty has no confirmation of the report.

UTAH IS STILL IN DOUBT

Smoot Being Pushed Hard by Fusion Candidate.

SALT LAKE, Nov. 4.—The result of Utah's senatorial election yesterday remains in doubt, with claims of success by a majority of a few hundred made for both Senator Smoot and James H. Moyle, the Democrat opposed to him on the Democratic-Progressive ticket.

Figures in many precincts indicated the election of James H. Moyle, Democratic-Progressive, in the second congressional district.

Joseph Howell, Republican, appears to be reelected in the first congressional district.

Will Retain Hospital Ship.

LONDON, Nov. 4.—(10:05 p. m.)—The admiralty announces that the German steamer Ophelia, which was seized while she was flying the Red Cross flag, and against which action Germany protested, is being detained because her name had not been notified to England as that of a hospital ship, in accordance with the Hague convention.

The admiralty adds that at the time of the seizure of the Ophelia "she was behaving in a manner inconsistent with the duties of a hospital ship, and the vessel will be brought before a prize court."

DAVENPORT ON THE CONGRESS

DEFEATED GILL IN FIRST DISTRICT BY 500 TO 1,000 MAJORITY.

Gill Carried Six Counties but Davenport Had Big Majority in Four.

JAMES S. DAVENPORT of Tulsa, Democratic incumbent, was returned to congress from the First Oklahoma district in the election Tuesday by a majority ranging from five hundred to one thousand. The managers of Joseph A. Gill of Vinland, Republican candidate, conceded Davenport's election last night. Earlier in the day Davenport issued a statement saying he was defeated, but later returns gave him the victory.

In Tulsa county Gill carried by 16 votes, where it had been figured he would run three or four hundred to the good. Davenport's biggest vote came from Osage county, where official returns last night gave him a majority of 496 votes over Gill.

Gill carried Washington county by 120 votes, Craig by 89, Nowata (unofficially) by 46 and Adair by 126.

Davenport swept Rogers by 450, Mayes by 226, Delaware by 216 and Osage by 496.

The only county that failed to report last night was Nowata, where at 3 o'clock the vote had not been completed. It was said, however, that Gill would carry it by about one hundred.

Long List of Wounded.

VENICE, via Paris, Nov. 4.—(4:45 p. m.)—The Vienna News-Watch on Monday and Tuesday of this week published a closely-printed page consisting of the latter part of the twenty-fifth official list of killed and wounded—this section of the list being made of the names alphabetically arranged from S to Z, the whole of the twenty-sixth list, and that part of the twenty-seventh list from A to F. This newspaper is considerably behind in its publication of names, since the first part of official list No. 42, containing the names of officers only, already has appeared.

The Red Cross, the Austrian military organ, betrays alarm over what it says is an attempt by Russia to bring about a reconciliation between Bulgaria and Serbia.

AMSTERDAM, via London, Nov. 4.—(11:35 p. m.)—A dispatch to the Telegram from St. Petersburg says: "Heavy gun firing is heard in the triangle of Bukovina, Rostov and Ypres, indicating that a severe battle is raging in that neighborhood."

It is believed that the Germans now will attempt to break through the allied lines there and force their way by way of Ypres to Dunkirk, but that they will find it very difficult to cross the moorlands in the north of Flanders, caused by the inundations.

GOVERNOR'S RACE VERY DOUBTFUL

FIELDS AND WILLIAMS ARE RUNNING NECK AND NECK.

BOTH CLAIMING IT

NEITHER SIDE WILL ADMIT THEIR CANDIDATE FOR GOVERNOR WILL LOSE.

RETURNS VERY INCOMPLETE

Majority of Counties Not Yet Reported Are Normally Republican.

OKLAHOMA CITY, Nov. 4.—Complete returns from 19 counties and incomplete returns from 35 out of 77 counties received tonight give Robert L. Williams a lead of 5,511 votes over John Fields in the gubernatorial contest. The majority of the counties not heard from are normally Republican. In the tabulated count Williams has 58,092 votes and Fields 52,582.

That Williams is
